

Community Foodshop

Opening Thursday 3rd December

Serving Individuals & Families Struggling on Low Income

- £3 a week gives access to 12-15 items a week (worth approximately £12-15)
- Membership is for 6 months. The aim is for residents to access support so that they will not need to be members longer term. They can cancel at any time.
- The food is a mix of fresh food and non perishable
- The Foodshop depends on donations so the food on offer will vary week to week

We would like residents who are really struggling to access the Foodshop, therefore we are working with partners like yourselves.

Residents in emergency need/crisis can still be referred to the Foodbank.
